

PPG - PRODUCT DECLARATION

Pro-Pac Packaging and the PPG Group, is a leading supplier of business consumables tailored to the warehousing, manufacturing, logistics, healthcare, pharmaceutical, food service and scientific industries with national locations across Australia.

All products supplied to customers within the food or hygiene sectors are within the current Australian Food Safety Standards as set out below. Our suppliers are set strict standards to adhere to prior to becoming a registered supplier to the group. Third party auditing is carried out within Australia and overseas, and locally by our trained staff to ensure strict compliance.

All raw materials used in our Industrial or Rigid Products are generic to the packaging industry and conform to Australian food grade specifications and are therefore safe for use in food/hygiene packaging/contact. No animal derived ingredients are used in the manufacturing of products by PPG group.

Pro-Pac Packaging intends always to provide its customers with products that meet or exceed their expectations and requirements. To achieve this goal, the company has established a QMS system comprising (ISO9001-2015) and Food Safety Management System (HACCP) across all our sites nationally.

As some of our products are intended to be used as a food contact surface, they are required to be manufactured in compliance with the following standards:

- H.A.C.C.P.
- Australian Standard AS2070 Parts 3, 6, and 8 for food contact use.
- FSANZ: Food Standards Code:
 - Standard 1.4.3: Articles and Materials in Contact with Food.
 - Standard 3.2.2: Food Safety Practices and General Requirements.
- Direct contact materials are free from gluten related contaminants
- Free from BPA and TNPP material

All staff at Pro-Pac Packaging understands and has been trained in the need to produce quality products and service in accordance with specifications and predetermined customer arrangements. All PPG products are also RoHS, Reach/SVHC compliant.

Pro-Pac Packaging aims to be the acknowledged leader in the products it provides.

Yours Sincerely,

Vinyl Poondla
