3.7 Resolutions 7A, 7B, 7C and 7D – Ratify past issues of securities

ASX Listing Rule 7.1 provides that a company must not issue equity securities, or agree to issue equity securities (which includes shares and options), without the approval of shareholders if the number of equity securities to be issued in any 12 month period (including equity securities issued on the exercise of any convertible securities) exceeds the 15% Capacity. ASX Listing Rule 7.4 allows for subsequent shareholder approval if the company did not breach ASX Listing Rule 7.1 at the time of issue and the holders of ordinary shares subsequently approve it. Issues made with approval under ASX Listing Rule 7.1A can also be ratified under ASX Listing Rule 7.4.

The Company is seeking, as separate resolutions, the approval of the following issues of securities in the manner provided by ASX Listing Rule 7.4:

- (a) Resolution 7A – ratification of the past issue of 3,310,000 Shares;
- (b) Resolution 7B – ratification of the past issue of 375,000 unlisted performance rights;
- (c) Resolution 7C – ratification of the past issue of 8,945,591 Shares; and
- (d) Resolution 7D – ratification of the past issue of 25,538,462 Shares.

Although Shareholder approval was not required for the issue of these securities, the Company now seeks Shareholder approval for these issues in the manner provided by ASX Listing Rule 7.4 because this will enable the Company to issue, pursuant to ASX Listing Rule 7.1, further equity securities up to the 15% Capacity from time to time as required by the Company, to capitalise on future opportunities without needing to obtain prior Shareholder approval.

Pursuant to ASX Listing Rule 7.5, the following information is provided in respect of ASX Listing Rule 7.4 approval. The details of the relevant issues of equity securities under ASX Listing Rule 7.1 and 7.1A are set out in the table below and the terms of each such class of equity securities issued are set out below:

- all of the Shares issued rank equally with all the other Shares on issue; and
- all of the performance rights issued will, upon exercise, entitle the holders to fully paid ordinary shares which, upon issue, will rank equally with all the other Shares on issue. Performance rights holders are not entitled to participate in dividends, distributions or interest payments until they exercise their performance rights.

No allottee is related to the Company, although it is noted that certain allottees are employees of the Company. The Company was not required to provide any of the allottees with a disclosure document.

A voting exclusion statement is set out on page 6 of this Notice of Meeting.

3.8 Resolutions 8A and 8B – General approval of issue of securities under the ESPP and PRP

ASX Listing Rule 7.1 provides that a listed entity must not issue equity securities in excess of its 15% Capacity in a 12 month period without the approval of shareholders. The ASX Listing Rules require that the approval of shareholders be sought where an issue of securities exceeds the 15% Capacity.

For employee incentive schemes, such as the ESPP and PRP, ASX Listing Rule 7.2 (Exception 9) provides an exception to the requirement to obtain shareholder approval each time securities are issued under the ESPP and PRP. For this exception to apply, the ASX Listing Rules require shareholder approval in respect of any issues to have been obtained within 3 years before the issue dates.

A summary of the terms of the ESPP and PRP are set out below.

	Resolution 8A	Resolution 8B
	ESPP	PRP
Eligible participants	Permanent full-time or part-time employees whom the Board considers as executives, including executive Directors of the Company or any of its subsidiaries are eligible to participate in the ESPP, by invitation of the Board. Participation is voluntary.	Full-time or permanent part-time employees, non-executive and executive Directors, company secretaries, contractors and casual employees of the Company or any of its subsidiaries and any person who has or will enter into an arrangement that will result in them becoming any of the prior-mentioned persons are all eligible to participate in the PRP, by invitation of the Board. Under the PRP, the Board may invite eligible participants to apply for performance rights. The Board may determine the number of performance rights to be issued under the PRP and other terms of issue under the PRP, including exercise conditions. A right may be exercised if that right has vested, has not lapsed and the exercise price for the right has been paid, unless otherwise determined by the Board. Rights holders are not permitted to participate in new issues of securities by the Company. However, adjustments may be made to the number of Shares over which the rights are granted or their exercise price to take into account changes in the capital structure of the Company that occur by way of pro rata and bonus issues in accordance with the PRP rules and the ASX Listing Rules.

Limit on number of securities that may be issued	None specified in the ESPP.	The PRP rules limit the number of rights that the Company may issue, such that the sum of all rights and options on issue and offered under all employee incentive schemes of the Company does not, if they are all exercised, equate to more than 5% of

No approval in accordance with ASX Listing Rule 7.2 (Exception 9) has been obtained by the Company previously.

Accordingly, shareholders of the Company are asked at this meeting to approve, as separate resolutions, the issue of securities under the Company's ESPP and PRP respectively in accordance with ASX Listing Rule 7.2 (Exception 9).

Other than Mr. Fahour (who is a current participant in the ESPP), no other Director has an interest in the outcome of these resolutions. However, as the other Directors are "Key Management Personnel" for the purposes of the Corporations Act, a voting exclusion statement is set out on page 6 of this Notice of Meeting. For those reasons, the Directors will not be making recommendations as to voting on these resolutions.
